Our 1-day training programme focuses on the consequences of non-compliance with environmental legislation in South Africa. We will consider NEMA, NEM:AQA, NEMWA and the NWA and how this legislation regulates, *inter alia*, the following aspects of non-compliance, with reference to case studies:

- Unlawful commencement;
- Compliance notices and directives;
- Penalties and offences;
- Private prosecutions;
- How to appeal a decision by the competent authority;
- Judicial review; and
- Reporting and responding to emergencies and/or incidents.
